**Do you have a business idea or already running a business and would like some advice and support?**

### **We have a new service which can offer you the following:**

- workshops and events run by experienced entrepreneurs who want to share their knowledge with you
- drop-in sessions
- business start-up and support via 1:1 appointments
- a Professional Entrepreneurial Mentoring Programme
- appointments with experts in residence – HR, finance, law, business advisors
- business challenges and competitions with incredible prizes
- funding and financial support to develop potential business ideas
- activities for first year students right through to early career researchers and graduates
- support and advice from a friendly team who are keen to help.

**THE CUBE** is open to all students at the University, whether you are an undergraduate, postgraduate or graduate.
